Advertising Opportunities with the IELR Blog

Since its inception in late 2016, the IELR Blog has provided supplemental analysis on the premier developments in both the substantive and procedural aspects of international enforcement law. Read by practitioners, academics, and politicians, the IELR and its companion blog serve as a valuable guide to the difficult and dynamic field of international law.

Over the second half of 2017, the blog increased its readership over five-fold, and now averages about 12,000 total page views and 8,250 unique visitors a month.

We now offer several advertising options. Our **Large Image Ad** (300x250 px) appears in the primary sidebar on the home page, right below the sign up form. Our **Small Image Ad** (125x125 px) appears after an individual blog entry. We also offer **Custom Ad** sizes and placements on a case-by-case basis.

If you or your organization is interested in advertising with the IELR Blog, please contact the IELR's assistant editor, Zarine Kharazian, by email at ielr@bcr-dc.com to obtain a quote. Include the ad image as a JPG or PNG file in one of the supported sizes, the website URL you would like the advertisement to link to, and the desired running duration for the ad.
